Currently maintaining a 9.31 CGPA, with a focus on creating scalable and user-centric solutions.

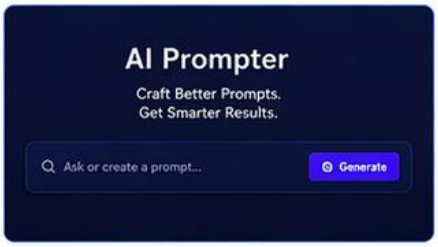

EDUCATION

Bachelor of Technology (B.Tech) — Graduated: 2028 (Expected)

Ramachandra College of Engineering | Eluru, AP

Honors: 9.31 CGPA (1st Semester)

KEY PROJECTS

AI Prompter Tool

Lead Developer/Designer

- Developed an AI-powered prompt engineering platform to help users craft precise and effective prompts.
- Streamlined user interaction by creating a minimalist, chat-centric interface focused on user engagement and simplicity.

School Management Application

Web Developer/UI Designer

- Designed and built a purpose-built application for educational institutions covering administration, student interaction, and daily operations.
- Integrated an admin panel and multiple user interfaces into a cohesive, functional system.

Creative Design & Branding Portfolio

Designer/Content Creator

- Curated a collection of professional-grade thumbnails, posters, and video edits for digital platforms, showcasing visual storytelling and high engagement design.
- Focused on strong visuals, compelling typography, and brand-driven content that captures attention.

EXPERIENCE & LEADERSHIP

Creative Freelancer & Developer — Self-Employed | 2023–Present

- Produced premium video content and visual assets, focusing on fluid transitions and modern aesthetics for diverse digital platforms.
- Achieved a track record of **3+ major projects delivered**, demonstrating strong attention to detail and project management.
- Consulted on UI/UX improvements for digital products, balancing high aesthetics with seamless functionality.
